

# The Ultimate Wealth Report Email List

# InfoMat, Inc.

Integrity, honesty and great customer service

## Description:

The **Ultimate Wealth Report** is designed to provide you with the information you need to build your own Ultimate Wealth Portfolio. By playing the trends that are reshaping the future global economy, you can profit handsomely by owning real assets that the world vitally needs — assets that, unlike stocks or real estate, will never lose all their value.

Edited by Andrew Packer, the **Ultimate Wealth Report** will enable you to combat the perilous economic moves of the government — and even profit from their errors in judgment — by buying commodity-based exchange-traded funds, commodity-related stocks, stocks that benefit from rises in foreign currencies, and foreign currency ETFs.

These subscribers are avid watchers of CNBC and Fox Business News. They turn to publications like *The Wall Street Journal*, *Barron's*, *Fortune Magazine*, *Forbes Magazine*, *Kiplinger's Magazine*, *Morning Star Publications*, *Money Magazine*, and Financial Newsletters including those published by Agora, Money Map Press, Porter Stansberry, Sovereign Society, InvestorPlace, Value Line, Zacks, Motley Fool, and other financial advisories. They also follow the latest on gurus in the investing world including Warren Buffet.
